

**Friday 22nd March 2024**  
1pm - 4pm

# DEVICE EGM'S

*This webinar is aimed at...*

- Cardiology Registrars/Fellows & Cardiac Physiologists in device training
- All BHRS members who wish to test their EGM knowledge
- Those considering sitting the Devices exam in 2024/2025

*You will be taken through example questions, what to expect in the exam, and investigative techniques; as well as tips for diagnosis and treatments.*

**FREE for BHRS Members**
